Student Skill Checklist

Targeted Interventions

Tailored Goals

Functional Skills Checklist (3-5)

Independence & Self Advocacy (3-5)	No	Yes
Makes choices independently when given options (e.g., choosing a snack, selecting a book)		
Recognizes when help is needed and asks for assistance appropriately		
Expresses wants, needs, and preferences clearly to adults and peers		
Follows a structured routine without frequent adult reminders		
Begins to advocate for accommodations or modifications in the classroom		
Demonstrates problem-solving skills when faced with small challenges		
Begins to recognize and take responsibility for mistakes		
Demonstrates confidence in trying new tasks and taking on responsibilities		
Demonstrates flexibility when plans change (e.g., schedule adjustments, changes in routine)		
Understands and follows simple written instructions (e.g., chore lists, class rules, safety signs)		

Independence & Self Advocacy - Potential Interventions
☐ Choice-Making Opportunities – Provide structured opportunities for students to make independent choices (e.g., selecting a snack, choosing an activity) with visual or verbal prompts.
☐ Explicit Teaching & Role-Playing for Help-Seeking – Model and practice appropriate ways to ask for assistance when needed, using verbal scripts, visuals, or peer role-play.

Functional Skills Checklist (3-5)

☐ Structured Communication Practice – Use sentence starters, guided discussions, or social scripts to help students express their wants, needs, and preferences <u>clearly</u> to adults and peers.
☐ Visual Schedules & Self-Monitoring Tools – Use personal schedules, checklists, or timers to help students follow routines independently with minimal reminders.
☐ Self-Advocacy Coaching & Accommodations Awareness – Teach students about their learning needs and how to advocate for accommodations <u>through structured discussions or social stories</u> .
☐ Problem-Solving Strategy Instruction – Introduce simple problem-solving frameworks (e.g., stop-think-act) and practice applying them to everyday challenges through guided scenarios.
☐ Reflection & Responsibility Activities – Use structured reflection activities, such as journaling or group discussions, to help students recognize mistakes and take responsibility <u>in a constructive way</u> .
☐ Growth Mindset & Confidence-Building Activities – Encourage students to try new tasks through <u>gradual exposure</u> , praise, and reinforcement of effort rather than outcome.

Independence & Self Advocacy - Sample Goals
• By [date], <u>student</u> will make independent choices when given options (e.g., choosing a snack, <u>selecting a book</u>) in 80% of observed opportunities. • By [date], <u>student</u> will recognize when help is needed and ask for assistance appropriately in 4 out of 5 observed instances. • By [date], <u>student</u> will express wants, needs, and preferences <u>clearly</u> to adults and peers in 80% of structured interactions.
